HOW TO SIGN UP

Step 1

New member or changed your e-mail address? Please fill in the requested information:

<https://member.myclub.se/pub/forms/4613/X0XNZdYLIx/>

A member from before? Go to step 4

Step 2

To create an account in MyClub go to https://accounts.myclub.se/d/users/sign_up and enter your e-mail address and then choose a password. Remember to use the same e-mail address as you registered in step 1, or else your account will not work.

Step 3

Now you will receive an e-mail (check the spam if you don't see it), follow the link to confirm your account. It may take a few minutes before the account is activated. If it does not work try logging out and log in again.

Step 4

Finish your registration here: <https://reg.myclub.se/public/registrations/176>

If there are any problems signing up please send an e-mail with a description and possibly a screenshot of the error and we will try to help you.
